Please make checks payable to Clark Kersey.
3. If for any reason a **student** cannot attend a lesson, the monthly flat rate will not be adjusted. **The flat rate holds your scheduled time slot for the month, whether the student is present or not.** When the student is unable to attend a lesson, please call Clark or leave a message as soon as possible at 605.858.2404.
4. If for any reason **Clark** cancels a lesson and cannot reschedule....the flat rate will be adjusted accordingly the next month and deducted from your payment.
5. Every effort will be made to make up lessons cancelled due to severe blizzard conditions, however this cannot be guaranteed.
6. Lessons will progress according to each individual student's ability. Each student should practice at 30 minutes a day 4-5 days a week to ensure their progress. Please remember to bring your current music and lesson books that have been assigned, as well as any music you may need help with from school. Thank you and please do not hesitate to contact Clark with any questions or concerns.
